rect report of the masonic reception last evening, permit me to state through your columns that the address was not written for publication, and con-I deem this explanation neces sary lest I should be accused of "steeling some Very Respectfully yours,

CHAS. L. WREELER.

1,000 horses, 500 wagoon and as many drivers into a railroad outfu, and you move the entire daily product of the wells to market at a com paratively trifling cost and send track the lumber iron, engines, in whinery, provisions, double the traffic, multiply passengers and make the best paying mitroad in the United States.

Working Mon's Petroleum As Pirmone Cirr, August 20, 1865. Morning Herald :

This is one of the best organizations for the benesit of men of sinali means that has been de-vised in a long time. The idea was concelved by a couple of young Scotchmen some four weeks ago. The plan is to issue stock certificates in as of ten dollars each, for the purchase of inarests in wells going down and nearly completed. In this way the funds are distributed among In this way the funds are distributed among a number of wells, and the greater the number of interests she greater the chance of large reliminaries to the stackholders. The company organized is a small way, held a number of preliminary mostings, and finally organized, permanently by obscuting a permanently Provident, Trensurer, Secretory, and various working spannittees, such as Finance, Ways and Manga, Laud and Weile, de. How that the objects of the organization, are becoming funding to the unclaim on and others, the picets is being registly taken up for

Editors Morning Herald: Though not a professional Grumbler, allow

me, through your columns, to make a few suggest tions in regard to a matter of public interest, and which is also fast becoming a public suitance.

1 refer to the condition of the crossing of Pine POR SALE. Roun, the Telegraph offices and the larger of the business offices located on, or adjato these corners, is it not a disgrace that as 1865, or thereabout, for Five Hundred Dollars, which a few sewers or gutters would readily re-
